## Cavite to host first PGH site outside Metro

HOSPITAL FOR THE POOR The Philippine General Hospital in Manila, designated as the National University Hospital and the national government referral center, has 1,100 charity beds and 400 private beds. It is estimated to serve more than 600,000 patients every year, mostly indigents from different parts of the country.

MANILA, Philippines — A new Philippine General Hospital (PGH) will soon rise in Cavite province—making it the second PGH facility and the first-ever outside of Metro Manila—to accommodate more patients in south Luzon.

Citing information from Interior Secretary Jonvic Remulla, President Marcos on Monday said the groundbreaking for the new PGH center in the City of Carmona will be held this month.

The PGH branch will have 200 beds—far smaller than the 600-bed hospital that Remulla announced in 2024.

“Pambihira (Unbelievable). Jonvic’s title is secretary of all local governments, but it seems to be playing favorites since Cavite always comes first for government projects,” the President quipped during the Bawat Barangay Makinabang event at General Trias Sports Park, earning the laughter of Cavite officials and locals.

“We’ve started to notice it in Cabinet meetings. We keep hearing about Cavite from our good secretary. But that’s a good thing, because Cavite’s population is growing,” he added.

Among the five provinces comprising Calabarzon (Cavite, Laguna, Batangas, Rizal, Quezon) region, Cavite has the biggest population with 4.57 million as of the 2024 Census. The region’s population is 16.93 million, according to the Philippine Statistics Authority.

Cavite is a first class province with 15 municipalities and eight cities. The most populous city in the province in 2024 was Dasmariñas City with a population of 744,511 followed by Bacoor City with 661,381. Carmona has a population of 112,140.

Cavite... fr pg. 1

Prior to his ap-
pointment to the Depart-
ment of the Interior and Local
Government in 2024,
Remulla had served the
local government of Cavite
since 1995—from provin-
cial board member to vice
governor and governor.

On Feb. 19,
2024, during the first city-
hood anniversary of Car-
mona, then Governor Re-
mulla announced the con-
struction of a PGH branch
in Carmona, the youngest
among the eight compo-
nent cities of Cavite.

"We, together
with the congressman and
the mayor, collaborated on
establishing a Philippine
General Hospital in Car-
mona Smart City," Remulla
had said. He was referring
to Carmona Mayor Dahlia
Loyola and her husband,
Rep. Roy Loyola of the fifth
district.

Mayor Loyola
mentioned a possible
groundbreaking event for
the project back in June
2024.

Partnership

The PGH branch
was reportedly supposed
to be constructed in Car-
mona International City—a
200-hectare township
project developed by SM
Development Corp. in
partnership with the city
government of Carmona—
spanning the villages of
Maduya and Lantic.

Officials of the
University of the Philip-
pines (UP) and PGH have
yet to respond to inquiries
from the Inquirer, including
its funding source and pro-
curement mode.

Neither the UP
System nor the Depart-
ment of Public Works and
Highways listed a con-
struction of a UP-PGH
facility in Carmona under
their respective 2026 na-
tional budgets.

The same project
was also not found in the
database of the Public-
Private Partnership Cen-
ter. What were listed were
an P11.49-billion, 400-bed
UP-PGH in Diliman, Que-
zon City; and a P9.49-
billion, 300-bed UP-PGH
Manila Cancer Center in

Manila.
The PGH is a ter-
tiary state-owned hospital
administered and operated
by UP.

It is designated
as the National University
Hospital, and the national
government referral cen-
ter.

The only current
PGH facility stands within
a 10-hectare site located
at the UP Manila campus
in Ermita district.

PGH currently
has 1,100 charity beds
and 400 private beds, and
is estimated to serve more
than 600,000 patients ev-
ery year, mostly indigents
from different parts of the
country.

It is currently
the second-largest pub-
lic hospital in the country,
following the Department
of Health (DOH)-operated
Southern Philippines Med-
ical Center in Davao City
with 1,500 bed capacity.

Expansion

In May last year,
President Marcos signed
Republic Act No. 12210,
expanding the hospital
bed capacity from 1,334 to
2,200.

PGH shares its
annual budget with the
UP System (composed of
17 campuses across the
country) at P29.475 billion
for 2026.

For this year,
PGH has been provided
with P800-million funding
for the Marcos administra-
tion's zero balance billing
(ZBB).

Under the pro-
gram, all patients, regard-
less of their economic
status, will no longer have
to pay out of pocket when
they are admitted at the
basic ward of any of the 87
DOH-operated and select-
ed local government-run
hospitals.

The ZBB, how-
ever, only applies to basic
or ward accommodation.
A patient who opts to be
transferred to a private
room shall not be entitled
to the program.

DTI Laguna Joins NHA People's Caravan Held in Santa Rosa City

Santa Rosa City — The Department of Trade and Industry (DTI) Laguna Provincial Office joined the National Housing Authority (NHA)-led People's Caravan, together with other national government agencies, held on April 29 at the Multi-Purpose Sports Complex in Brgy. Tagapo, Santa Rosa City, Laguna, under the theme "Serbisyon Dala ay Pag-asa."

The program emphasized the importance of collaboration in public service and strengthened partnerships in delivering accessible government services to communities. A key highlight was the awarding of fifty (50) Transfer Certificates of Title to families from Southville 4 and the Villa Santa Rosa Housing Project, securing home ownership and ensuring long-term stability.

In addition, thirty (30) beneficiaries received certificates in coordination with the Overseas Workers Welfare Administration (OWWA), expanding access to government support programs. The activity demonstrated an integrated service delivery approach through inter-agency cooperation.

Participating agencies provided services such as livelihood assistance, healthcare, and social support, reinforcing efforts toward holistic community development. Service booths were also set

up, allowing participants to explore livelihood opportunities and access business-related information and government services. At the DTI booth, Negosyo Center Business Counselor Nicka Atayde assisted both potential and existing entrepreneurs. Services focused on streamlining business registration processes and improving access to entrepreneurship support. Ms. Atayde also provided guidance on loan programs offered by the Small Business Corporation to help interested clients secure capital for business growth and sustainability.

"These services are part of DTI's effort to ensure that beneficiaries of government programs like the NHA People's Caravan are not only provided with assistance, but are also given pathways to start or strengthen their own livelihoods through easier business registration and access to financing," Atayde said.

The People's Caravan served as a platform for DTI Laguna and other partner agencies to deliver accessible government services to communities. DTI Laguna's participation reflects its commitment to inclusive economic development by bringing livelihood opportunities, business assistance, and other support services closer to the public through inter-agency collaboration (NJDAtayde, DTI Laguna).
