Plaza in Valenzuela City.

President Marcos Jr. was joined during the inspection and inauguration by Transportation Secretary Vince Dizon, Public Works Secretary Giovanni Lopez, DOTr Senior Undersecretary Mark Steven Pastor, TRB Executive Director Jayart Tugade, MPTC President and CEO Gilbert Santa Maria, NLEX Corporation President and General Manager Luis Reñon, Valenzuela City Mayor Wes Gatchalian, Valenzuela City 1st District Representative Kenneth Gatchalian, and Quezon City 6th District Representative Marivic Co-Pilar.

The newly opened section is expected to help ease congestion along Mindanao Avenue and Quirino Highway while improving travel time, safety, and convenience, especially during peak travel period, such as Undas.

Motorists from Quirino Highway can now directly access the NLEX Connector for trips to Manila, the University Belt, and nearby cities, providing an alternative route to EDSA. Those heading north can use the new section to reach the NLEX Mindanao Toll Plaza and access the NLEX mainline toward Central Luzon, with connections to the Subic-Clark-Tarlac Expressway (SCTEX) for onward travel to Northern Luzon.

The section is expected to serve approximately 11,000 vehicles daily. Operating 24/7 and accommodating all vehicle classes, the new section will facilitate the movement of people and goods and support transport logistics and economic activity.

Section 1A is part of the 11.3-kilometer NLEX-C5 Northlink Segment 8.2 project, which extends from Mindanao Avenue to C5/C.P. Garcia near Katipunan Avenue. Once completed, the project will further improve connectivity between northern and southern Luzon via the eastern side of Metro Manila.

The NLEX-C5 Northlink is a Public-Private Partnership (PPP) project with the Toll Regulatory Board (TRB) serving as government grantor, and NLEX Corporation, a subsidiary of Metro Pacific Tollways Corporation (MPTC), acting as the private concessionaire.

P361-M illegal shipments, nasabat ng tropa ni Colls. De Vera at Ibera sa MICP!

HINDI nakalusot sa mahigpit na pagbabantay ng tropa nina Bureau of Customs-Manila International Container Port (BOC-MICP) District Collector, Atty. Geoffrey K. De Vera at Deputy District Collector, Atty. Edward Rigunay Ibera ang illegal shipments na mahigit P361 milyong halaga na tangkang ipuslit sa MICP.

Napatunayan ang matinding kahalagahan ng masusing pagsusuri sa mga inaangkat na produkto upang matiyak ang pagsunod sa mga batas at regulasyon sa Customs.

Patuloy na ipinapakita ng alertong tropa nina Colls. De Vera at Edward Ibera ang kanilang seryosong paglaban sa ilegal na mga kargamento.

Katulad ng halimbaha:

Pagpapatupad ng mga batas sa pag-aangkat.

Pagprotekta sa kita ng pamahalaan at lehitimong kalakalan.

Paninindigan na walang puwang ang paglabag sa batas sa mga pantalan.

Matatandaang noong October 8, 2026, kasama sina Colls. De Vera at Ibera, pinangunahan ni Customs Commissioner Ariel F. Nepomuceno ang spot checking sa ilegal na mga kargamentong nakapaloob sa dalawang 1x20 container mula sa Zamboanga. Isang container ang nabistong mga ilegal na sigarilyo, habang ang isa rin ay may kargang white cigarette filters nasa mga kahong may Chinese markings.

Ang shipment ay aabot sa P29 milyong halaga. Idineklarang "Scrap Metal" pero natuklasang naglalaman ng 320 kahon ng 'Astro at Redwood' cigarettes. Ang mga ito ay sinasabing naaktuhang nakalagak sa Subport of North Harbor, Maynila ng MICP.

Iginiit ni Comm. Nepomuceno na hindi magiging daan ang maling deklarasyon upang maitago ang tunay na laman ng shipments at makaiwas sa kaukulang tax requirements ng BOC.

"Malinaw ang ating paninindigan: hindi magiging daan ang maling deklarasyon para makalusot ang mga iligal na produkto. Patuloy nating paiigtingin ang ating inspections, intelligence operations, at pakikipagugnayan sa ating mga partner agencies upang maprotektahan ang revenue ng pamahalaan at ang lehitimong kalakalan," ani Commissioner Nepomuceno.

Ang pagkakadiskubre sa mga kargamento ay bahagi ng patuloy na pagpapalakas ng BOC sa intelligence-driven inspections at inter-agency coordination upang matukoy ang mga misdeclared at posibleng illicit shipments bago makapasok sa lehitimong merkado. Kasabay nito, patuloy na isinasagawa ang kaukulang proseso alinsunod sa customs at revenue laws.

Sinabi nina Colls. De Vera at Ibera na ang mas mahigpit na pagbabantay sa mga kargamento ay naaayon sa direksyon ng administrasyon ni President Ferdinand R. Marcos Jr. na palakasin ang border protection, tiyakin ang wastong pangongolekta ng kita ng pamahalaan, at ipatupad ang mga batas laban sa smuggling at iba pang ilegal na kalakalan.

Binigyang diin pa ng naturang Customs officials, sa ilalim ng pamumuno ni Comm. Nepomuceno, nananatiling nakatuon ang Bureau sa pagpigil sa misdeclaration at iba pang pamamaraan ng pag-iwas sa customs requirements, habang pinangangalagaan ang seguridad ng bansa at patas na kompetisyon sa mga lehitimong negosyo.

Samantala, noong August 29, 2026, aabot sa P292.4-M Shabu na itinago sa pekeng mga bato ang natimbog ng grupo ni Colls. De Vera at Ibera na tinangkang ipuslit sa MICP.

Ang pagkasabat sa 43 kilos na shabu shipment mula Afghanistan ay malaking indikasyon na napilayan ng kanilang kampo ang smuggling operation ng ilang drug syndicate sa bansa.

Hindi lamang interes ng gobyerno ang panalo dito, maging ang buhay ng ating mga kababayang Filipino ay nabigyan ng proteksyon ng kampo nina Colls. De Vera at Ibera.

At noong August 4, 2026, nasabat rin ng tropa ang dalawang container van na naglalaman ng P40 milyong halaga ng ipinagbabawal na mga paputok at pyrotechnic devices na sadyang minali ang deklarasyon upang maipuslit sa MICP.

Ang imported shipments galing China ay parehong humigit-kumulang P20 milyong halaga. Unang natukoy ang mga ito nang makatanggap ng intelligence reports na nagsasabing may mga paputok na itinago sa loob ng mga container.

Nabistong isa sa mga shipment ay idineklarang "shelves" at kalaunan ay sinasabing boluntaryong inabandona ng importer o consignee. Samantalang ang ikalawa naman ay nakasaad sa dokumento bilang "ceramic cups."

Sa suma-total, mahigit P361 milyong halaga ng illegal shipments ang nasabat bago tuluyang kinumpiska ng tropa nina Colls. De Vera at Ibera sa nasabing mga petsa ng kasalukuyang taon. Ang galing! Congratulations, mga Bossing!

In support of President Ferdinand R. Marcos Jr.'s agenda to strengthen government revenues, the Bureau of Customs (BOC), under the leadership of Commissioner Ariel F. Nepomuceno, recorded its highest-ever January to September collection at ₱757.406 billion in 2026.

The nine-month collection exceeded the ₱748.494-billion target for the period by ₱8.913 billion, or 1.2%, keeping the Bureau ahead of its collection program with three months remaining in the year. The BOC also collected ₱55.735 billion more compared to the same period in 2025, equivalent to a 7.9% year-on-year increase. The growth underscores that the Bureau's revenue performance is not based on projections alone, but on actual collections already realized. September further strengthened the Bureau's performance, with collections reaching ₱93.339 billion, exceeding the ₱89.184-billion monthly target by ₱4.155 billion, or 4.7%. This was also ₱13.056 billion, or 16.3%, higher than the collection recorded in September 2025. Commissioner Nepomuceno credited the Bureau's continued performance to the dedication and hard work of its personnel, emphasizing that the ₱1-trillion goal is a shared mission of the entire organization.

"To all our men and women in the Bureau of Customs, the ₱1-trillion goal is ambitious, but our performance shows that we are on the right track. Sa loob pa lang ng siyam na buwan, nakalikom na tayo ng ₱757.4 billion, nalampasan ang ating target, at nakapagtala ng 7.9% growth compared to the same period last year. Higit sa numbers, these results reflect your hard work, dedication, and commitment to public service. Kaya hinihingi ko ang patuloy ninyong suporta at pagkakaisa habang tinatahak natin ang huling tatlong buwan ng taon," Commissioner Nepomuceno said. "Let us look at this goal not as a responsibility of a few, but as a shared mission of the entire Bureau. At ang tagumpay ng Bureau ay hindi lang tagumpay ng ahensya kundi tagumpay ng buong bansa. Every peso we properly collect goes back to our people, supporting the services and programs they need. Kaya sama-sama tayong magtrabaho, magtulungan, at maniwala na kaya nating makamit—not for the numbers alone, but for the country we are all here to serve," he added.

The BOC's sustained revenue growth is supported by strengthened monitoring and collection measures, improved valuation and assessment, intensified enforcement against smuggling and other forms of revenue leakage, and continuing efforts to modernize customs processes. Under Commissioner Nepomuceno's Integrity, Accountability, and Modernization (IAM) Movement, the Bureau continues to pursue reforms aimed at strengthening revenue administration, facilitating legitimate trade, improving accountability, and ensuring that revenues legally due to the government are properly collected.

With three months remaining in 2026, the BOC is focused on sustaining its momentum toward its full-year revenue goal. For the Bureau, the path toward the ₱1-trillion mark will ultimately be measured not by speculation, but by actual collections and results./ BOC

More than just sharing what they have, Mekeni Food Corporation (Mekeni) continues to demonstrate that meaningful community impact begins with a shared commitment to care for others.

In keeping with its longstanding tradition of giving back, Mekeni once again brought its employees together for its annual gift-giving initiative on October 30 2026, reaching out to local orphanages and care institutions in Pampanga. The beneficiaries included Munting Tahanan ng Nazareth in Mabalacat City, and the Bahay Pag-ibig and Children's Home of Eucharistic Love and Kindness in City of San Fernando.

Rooted in the Filipino value of malasakit, the initiative reflects Mekeni's belief that corporate responsibility goes beyond business operations. It is about building meaningful relationships with communities, recognizing their needs, and taking collective action to make a difference in people's lives.

Through the initiative, Mekeni extended donations of food products, essential supplies, clothing, toiletries, and other necessities to help support the daily needs of children and residents under the care of partner institutions.

"For us at Mekeni, giving back is not simply an annual activity. It is a reflection of who we are as a company and the values we stand for. We believe that businesses have a responsibility to create a positive impact beyond the products they make and the communities they serve," said Mr. Pruds Garcia, President of Mekeni.

He added that the initiative is made more meaningful by the active participation of Mekeni employees, whose generosity and willingness to share make the company's commitment to community service a collective effort.

Beyond the company's institutional donations, employees also contributed through personal financial and in-kind donations, demonstrating how small acts of kindness, when brought together, can create a greater impact.

For Ms. Marilou Uy, Assistant Vice President for HR and Exports, the initiative underscores the importance of cultivating a workplace culture where compassion and social responsibility are shared values.

Meanwhile, Ms. Apple Garcia, HR Head, emphasized that the program provides employees with an opportunity to extend the spirit of giving beyond the workplace.

"One of the most rewarding things about this initiative is seeing our employees come together for a purpose greater than themselves. Every contribution, regardless of size, represents care, hope, and a genuine desire to help others. We hope that through these simple gestures, we can bring encouragement to the communities we visit and inspire others to do the same," she shared.

For more than three decades, Mekeni has remained committed to uplifting lives and supporting the communities that have been part of its growth. Through its continuing CSR initiatives, the company seeks to turn its values into meaningful action, reinforcing its belief that business success is even more significant when shared with others.

As Mekeni moves forward, it remains steadfast in its commitment to creating shared value—not only through the food it brings to Filipino tables but also through the compassion, generosity, and community spirit it continues to nurture.

A Step Toward Bigger Dreams: How EFF Footwear Store Is Growing with Purpose

For Elizabeth Francisco Consebido, starting a footwear business was about more than earning a living. It was an opportunity to help local workers whose livelihoods had been affected by the pandemic. What began as a modest enterprise in Liliw, Laguna, has since grown into a business that has tripled its weekly slipper production and doubled its workforce.

Known as EFF Footwear Store, short for Elizabeth Fashion Footwear, the business began operations on October 15, 2021, with an initial capital of ₱70,000. Elizabeth had previously worked as an accountant in Saudi Arabia, but when the pandemic forced businesses in her community to close, including small slipper-making shops that provided jobs to local residents, she saw an opportunity to help workers rebuild their livelihoods.

She invested ₱50,000 in raw materials, including fabric, rubber, foam and adhesive, as well as labor costs. The remaining ₱20,000 went toward equipment, including a second-hand sewing machine and a machine for finishing the edges of rubber soles. She rented a store along Gat Tayaw Street in Pag-Asa, Liliw, where she began selling slippers locally known as "lightweight."

In its early operations, EFF Footwear Store produced more than 500 pairs of slippers weekly. Each pair sold for ₱80 at the store, while nearby retailers could purchase them at a wholesale price of ₱65. Supplying local stores helped the business reach more customers and establish connections with retailers.

Building the enterprise, however, was not easy. Low sales, operating expenses and competition from affordable imported footwear placed pressure on the business. There were times when Elizabeth considered giving up, particularly when sales were insufficient to cover expenses. But knowing that her workers and their families depended on the business gave her a reason to persevere.

For Elizabeth, keeping the business afloat meant more than protecting her investment. It also meant sustaining the livelihoods of the people who had come to depend on it.

Determined to keep the business moving forward, she explored ways to reach more customers and strengthen its operations. She embraced online selling through Shopee, Lazada and TikTok, allowing EFF Footwear Store to connect with buyers beyond its physical location.

Elizabeth also participated in programs and services offered by the Department of Trade and Industry (DTI), including the Kapatid Mentor ME (KMME) Program and the One Town, One Product (OTOP) Program, as well as other seminars and business development activities. Through these opportunities, she gained knowledge that helped her work on the business's logo, branding and product costing.

Among these initiatives, the KMME Program had a significant impact on her development as an entrepreneur. It helped her understand the importance of effective business management, establishing a clear mission and vision, setting long-term goals, and managing finances and operations. These lessons provided guidance as she continued to develop the enterprise.

DTI also provided opportunities for EFF Footwear Store to showcase its products at trade fairs and bazaars, including Kadiwa ng Pangulo. These activities allowed Elizabeth to present her products to potential customers and highlight the creativity of locally made footwear.

As the business developed, improving production became another important step. The acquisition of a hydraulic pressing machine made cutting rubber soles faster and more efficient. With the equipment, weekly production increased from 500 to 1,500 pairs of slippers, tripling the business's production capacity.

The improvement also allowed EFF Footwear Store to broaden its product line. In addition to slippers, the business began producing doll shoes, sandals and new slipper designs. With greater production capacity, Elizabeth became more confident in accepting bulk orders, including those with short delivery deadlines, allowing the enterprise to accommodate larger orders and respond more effectively to customer needs.

The business's continued development brought opportunities for recognition. EFF Footwear Store became a Silver Awardee under the Likhang Laguna Quality Standards and was featured on DZME Radio's "Pro Pinoy" program with Melanie Sembrano. It also received recognition from the BPI Foundation through its Sinag Beyond Program.

In December 2025, the business participated in the National Trade Fair at SM Megamall, where it showcased products including espadrilles adorned with abaca and half-shoes made with floral canvas and wooden heels. These designs reflect the craftsmanship and skills of the workers behind the enterprise's locally made footwear.

From four employees when it started, EFF Footwear Store has grown to provide livelihoods for eight. Its progress is reflected not only in increased production and a wider range of products, but also in its ability to continue providing work for local residents.

For Elizabeth, however, the people behind the business remain central to its purpose. She hopes that as EFF Footwear Store continues to grow, it will provide more stable livelihoods and help improve the lives of the workers and their families who have been part of its journey.

What began as an effort to help local workers has become a growing enterprise built around that same purpose. EFF Footwear Store's journey shows how perseverance, business development and a commitment to others can help turn a modest investment into an opportunity for both enterprise growth and community livelihood.

NHA, NAMAHAGI NG MGA TITULO SA NATIONAL HOUSING EXPO 2026

Bilang katuparan sa pangakong magbigay ng maayos na pabahay sa mga Pilipino, personal na nakibahagi si National Housing Authority (NHA) General Manager Joeben A. Tai kasama ang mga pinuno ng Key Shelter Agencies (KSA) sa paggawad ng Certificates of Unit Allocation (CUA) sa limang (5) pamilyang benepisyaryo ng NHA units sa pagbubukas ng Ikalawang National Housing Expo sa SMX Convention Center, Pasay City.

Kinatawan ni Department of Human Settlements and Urban Development (DHSUD) Secretary Jose Ramon P. Aliling si Pangulong Ferdinand "Bongbong" R. Marcos Jr. sa nasabing okasyon. Kasama rin ni NHA GM Tai ang iba pang mga pinuno ng key shelter agencies, kabilang sina Home Development Mutual Fund (Pag-IBIG Fund) CEO Marilene C. Acosta; Human Settlements Adjudication Commission (HSAC) Executive Commissioner Atty. Avelino D. Tolentino III; Social Housing Finance Corporation (SHFC) President at CEO Federico A. Laxa; at National Home Mortgage Finance Corporation (NHMFC) President at CEO Renato L. Tobias.

Ang limang pamilyang tumanggap ng CUA ay mga residente ng NHA Navotaas Homes 3 sa Brgy. NBBS-Kaunlaran, Navotas City, isang proyektong nakalaan para sa mga informal settler families (ISFs) na naninirahan sa mga delikadong lugar at mataas na panganib na daluyan ng tubig.

Ang paggawad ng mga CUA ay bahagi ng two-day expo na inorganisa ng DHSUD at Pag-IBIG Fund na parte ng pagdiriwang ng National Shelter Month ngayong buwan ng Oktubre. Layon nito na ipakita ang whole-of-nation approach ng pamahalaan sa usaping pabahay—na pinapakita na ng Expanded Pambansang Pabahay para sa Pilipino Housing (4PH) program.

"Sapagkat batid natin na ang tunay na halaga ng sariling tahanan ay nasusukat sa kaligtasan, kapayapaan at kalidad na nadudulot nito sa bawat pamilyang Pilipino," wika ni Pangulong Marcos Jr.

Bukod sa pamamahagi ng mga titulo, naglagay din ang NHA ng isang information booth upang tugunan ang mga katanungan ng publiko kaugnay sa pabahay.

Tampok din ang exhibit ng mga scale model ng kasalukuyang nakatayong proyektong pabahay ng ahensya.

"Sa pamamagitan ng housing expo na ito, nagkakaisa ang mga pangunahing ahensya sa pabahay at mahigit 80 kilalang pribadong developers upang tugunan ang lumalaking kakulangan sa pabahay at magbigay ng mga oportunidad sa pabahay para sa mga Pilipino.

Kaya naman, inaanyayahan ko ang mga indibidwal at pamilya na samantalahin ang pagkakataong ito upang magtanong at alamin ang mga abot-kayang programa sa pabahay," pahayag naman ni GM Tai. Naka-angkla sa temang, "Tahanan. Pamayanan.

Kinabukasan.," binibigyang-diin ng kaganapang ito ang pagsisikap ng pamahalaan na magkaloob ng disente, ligtas, at murang pabahay, tungo sa pagbuo ng mga matatag at sustenableng komunidad para sa mas magandang kinabukasan. Ang NHA ay isang attached agency ng DHSUD.

PCG's...

FROM PAGE 01

DASMARIÑAS CITY, Cavite (PIA) — With a goal to enhance safety across tourism sites in Cavite province, the Philippine Coast Guard (PCG) is set to launch a specialized water safety training initiative for local resort personnel and first responders.

Last October 21, the PCG Coast Guard Station Cavite gathered resort owners and representatives in Dasmariñas City to discuss the proposed Lifeguard Training and Water Safety Initiative.

Designed specially for resort personnel, the program aims to equip resort staff with essential lifesaving skills, drowning prevention protocols, and emergency response skills.

The PCG emphasized that elevating safety standards is vital in ensuring the safety and well-being of tourists.

In a statement, the PCG underscored that the initiative will help local resorts further enhance their safety standards.

"Through this initiative, our local resorts can further enhance their safety standards and provide a more secure and enjoyable experience for families and visitors. Together, we [will] continue to promote responsible tourism and strengthen Dasmariñas City's commitment to welcoming guests with greater confidence, care, and peace of mind."

To recall, the Cavite Provincial Disaster Risk Reduction and Management Office (PDRRMO) reported a series of drowning incidents last September, including that of an 18-year old boy in Dasmariñas City and an eight-day search operation for a drowning victim in Lucsuhin River.
