ORDER

Before this Court is a Motion for Leave of Court to Serve Summons by Publication filed on September 24, 2026 by the petitioner, through counsel.

The records show that summons was first issued on August 05, 2026 to respondent Wilbert Diana Narvaez at the address provided by the petitioner, namely, 111 Don Placido Street, Brgy. San Agustin III, Dasmariñas City, Cavite.

In his Return dated September 08, 2026, Andres B. Espina, Sheriff of this Court, stated that during his first attempt on August 12, 2026 at 3:15 P.M., he went to the aforesaid address to personally serve the summons upon the respondent. He tried calling the respondent and knocked on the gate, but no one responded. During his second attempt on September 07, 2026 at 1:30 p.m., respondent's sister-in-law, Rhea Doctora Narvaez, informed him that the respondent was currently working abroad as an Overseas Contract Worker, although she did not specify the country where he was employed. Consequently, the summons was returned unserved.

The petitioner now seeks leave of court to serve summons upon the respondent by publication pursuant to Sections 17 and 18 of Rule 14 of the Rules of Court. In support thereof, petitioner alleges that the respondent is presently working in the United Arab Emirates as an Overseas Contract Worker. Petitioner attached to the motion a letter dated June 19, 2026 issued by the Department of Migrant Workers, marked as Annex "B," confirming that the respondent is an Overseas Contract Worker in the United Arab Emirates. Petitioner likewise attached, as Annex "C," a list of the contracting parties to the Hague Service Convention, purportedly showing that the United Arab Emirates is not a contracting state thereto.

Petitioner further contends that personal service is impracticable because the respondent is presently outside the territorial jurisdiction of the Philippine courts, while service through an international convention is unavailable because the United Arab Emirates is not a contracting party to the Hague Service Convention.

Where the defendant is outside the Philippines, the applicable provisions are Sections 17 and 18 of Rule 14 of the Rules of Court, which provide—

Section 17. Extraterritorial service. — When the defendant does not reside and is not found in the Philippines, and the action affects the personal status of the plaintiff or relates to, or the subject of which is, property within the Philippines, in which the defendant has or claims a lien or interest, actual or contingent, or in which the relief demanded consists, wholly or in part, in excluding the defendant from any interest therein, or the property of the defendant has been attached within the Philippines, service may, by leave of court, be effected out of the Philippines by personal service as under Section 6; or as provided for in international conventions to which the Philippines is a party; or by publication in a newspaper of general circulation in such places and for such time as the court may order, in which case a copy of the summons and order of the court shall be sent by registered mail to the last known address of the defendant, or in any other manner the court may deem sufficient. Any order granting such leave shall specify a reasonable time, which shall not be less than sixty (60) calendar days after notice, within which the defendant must answer. (Emphasis ours)

Section 18. Residents temporarily out of the Philippines. — When any action is commenced against a defendant who ordinarily resides within the Philippines, but who is temporarily out of it, service may, by leave of court, be also effected out of the Philippines, as under the preceding Section.

It appearing from the Sheriff's Return dated September 08, 2026 that summons and a copy of the petition and its annexes were not served upon the respondent because the respondent ordinarily resides within the Philippines, but is temporarily out of the country, the subject motion is GRANTED. The petitioner is allowed to serve summons by publication. The summons shall contain the title of the case, docket number, nature of the petition, principal grounds of the petition and the reliefs prayed for, and a directive for the respondent to answer within sixty (60) days from the last issue of publication.

Petitioner is directed to cause the publication of the summons once a week for two (2) consecutive weeks in a newspaper of general circulation, to be determined by raffle, within ten (10) days from notice and to immediately submit proof of compliance.

The court sheriff or the authorized personnel is directed to serve a copy of the summons upon the respondent at his/her last known address on record by registered mail.

SO ORDERED.

I thank President Ferdinand R. Marcos, Jr. for the trust and confidence he has placed in me. I have always believed that public service means doing our best and doing as much good as we can in the time we are given, wherever we are called to serve. I am honored to accept this new assignment at the Bureau of Customs.

To my colleagues at the BIR, thank you for the warmth with which you welcomed me and the dedication you have shown. This past year has been the most challenging and meaningful of my public service career. I have learned so much from all of you, and I will always be grateful.

It has been a great honor to serve our country alongside our Revenuers. I am proud of what we have accomplished together, especially the significant progress we have made in advancing the BIR's long-term digital transformation. I know you will continue what we have started, and I urge you to fully support the leadership of the incoming Commissioner Rolando T. Ligon, Jr. as you see these tax modernization projects through to completion for our taxpayers, guided by our commitment to "Mahusay na Serbisyo, Katumbas ng Buwis Mo."

I also thank Finance Secretary Frederick D. Go for his guidance and all-out support for our programs at the BIR, and our partners from business and professional organizations for their cooperation and valuable insights.

I wish to recognize Commissioner Ariel F. Nepomuceno for the reforms he has undertaken at the BOC. We will build on his accomplishments and continue the work already underway.

I look forward to working with the men and women of the BOC to carry out the priorities of President Marcos, Jr. and Secretary Go—strengthening border protection, sustaining revenue collection, and facilitating legitimate trade. We have important work ahead of us, and I am ready to get started.

Rigodon sa BOC: Comm. Nepomuceno, pinalitan ni BIR Comm. Mendoza

PORMAL nang bumaba sa puwesto si Ariel F. Nepomuceno bilang Commissioner ng Bureau of Customs (BOC), na itinalaga sa BCDA o Bases Conversion and Development Authority.

Pumalit kay Nepomuceno si Commissioner Charlito Mendoza ng Bureau of Internal Revenue (BIR).

Natuldukan na ang mga bulungan at hakahaka ng maraming taga-Customs tungkol sa isyu na aalisin si Comm. Nepomuceno sa ahensya. Totoo pala!

Samantalang si Department of Finance (DoF) Undersecretary Rolando Ligon ang kapalit ni Mendoza sa BIR.

Ito ay bahagi ng rigodon o pagbalasa na ipinatupad ni Pangulong Bongbong Marcos sa ilang pinuno ng ahensya ng gobyerno.

Sa kasaysayan ng BOC, si Comm. Nepomuceno ay sinasabing bukod tangi na naging komisyuner ng ahensya na nakapagtala ng may pinakamataas na buwanang koleksyon matapos masungkit ang P97.463 bilyon noong Oktubre 2026, sa kabila ng pagbaba ng import volume. Nakakagulat ba? Opo!

Batay sa preliminary data, mas mataas ito ng P14.501 bilyon kumpara sa P82.962 bilyong nakolekta noong Oktubre 2025. Naabot din nito ang 99.42% ng P98.028 bilyong revenue target para sa buwan.

Umabot naman sa P853.662 bilyon ang kabuuang koleksyon mula Enero hanggang Oktubre 2026, ang pinakamataas para sa unang sampung buwan ng taon sa kasaysayan ng ahensya. Nalampasan nito ang P846.522 bilyong target ng P7.140 bilyon. Mas mataas din ito ng P69.029 bilyon kumpara sa P784.633 bilyong nalikom sa kaparehong panahon noong 2025.

Ayon sa Customs, ang mga bagong rekord na ito ay bunga ng mas mahigpit na pagsubaybay sa koleksyon, mas maayos na customs administration, at sama-samang pagsisikap ng mga Customs personnel sa buong bansa. Ang bawat pisong nakokolekta ng Customs ay may katumbas na serbisyong maihahatid sa ating mga kababayan. Ito ang nagbibigay ng higit na kabuluhan sa trabaho ng mga taga-Customs.

Simula nang pamunuan ni Comm. Nepomuceno ang Customs noong July 2025, naitala nito ang P1.327 trillion koleksyon at nakakumpiska ng P50.93 bilyong halagang smuggled at illicit goods sa isinagawang 1,452 enforcement operations.

Gayunman, kinumpirma ni BIR Commissioner Charlito Mendoza ang kaniyang appointment bilang Commissioner ng Bureau of Customs.

Ayon kay Mendoza, ipagpapatuloy nito ang reporma at palalakasin ang apektibo at maayos na operasyon ng ahensya.

"I have always believed that public service means doing our best and doing as much good as we can in the time we are given, wherever we are called to serve. I am honored to accept this new assignment at the Bureau of Customs," pahayag ni Mendoza.

FROM PAGE 01

The Department of Energy (DOE) announced a sharp rollback in petroleum prices for 10-16 November 2026, with gasoline prices decreasing by P16.80 per liter, diesel by P4.10 per liter, and kerosene by P3.70 per liter, as easing concerns over the US–Iran conflict drive down international oil prices.

According to the DOE's Oil Industry Management Bureau (OIMB), the substantial price reductions are primarily driven by growing expectations of a possible diplomatic resolution to the US–Iran conflict, which has eased fears of further disruptions to oil supplies from the Middle East.

Ongoing mediation efforts by Qatar, coupled with recent political developments in the United States, have strengthened market expectations of reduced military escalation. These developments have lowered the geopolitical risk premium previously reflected in international oil prices, contributing to the sharp decline.

Market sentiment has also improved amid expectations of more stable oil shipments through the Strait of Hormuz, a critical passage for global petroleum trade. Reduced tensions could allow greater oil exports from Gulf producers, lower shipping insurance and transportation costs, and improve crude oil availability for Asian refineries.

Energy Secretary Sharon S. Garin welcomed the substantial price reductions while emphasizing the need for continued vigilance amid uncertainties in the global oil market.

"This substantial rollback is welcome relief for Filipino motorists, public transport operators, and households. The DOE is working to protect the interests of Filipino consumers by ensuring that reductions in international oil prices are reflected at the pump. We will continue to closely monitor fuel price adjustments and engage oil industry stakeholders to help ensure that Filipino families benefit from favorable developments in the global oil market," Secretary Garin said.

Meanwhile, the DOE reported that the country maintained an estimated 50.33 days of total petroleum supply as of 06 November 2026, with gasoline and diesel inventories equivalent to 51.64 days and 53.95 days of supply, respectively.

The DOE said the current petroleum inventory levels provide enough supply buffer to support the country's fuel requirements amid changing global market conditions.

The Department continues to coordinate with oil industry stakeholders to help maintain adequate petroleum supplies and support the uninterrupted distribution of fuel nationwide. ###

The summit, scheduled from Nov. 15 to 18 at the Philippine International Convention Center in Pasay City, marks the culmination of the Philippines' chairmanship of the Association of Southeast Asian Nations (ASEAN) before it formally hands over the bloc's leadership to Singapore.

Marcos will preside over a series of high-level meetings aimed at strengthening regional partnerships and addressing shared challenges, including economic recovery, food and energy security, digital innovation, and maritime stability.

The gathering is expected to bring together leaders from Brunei Darussalam, Cambodia, Indonesia, Laos, Malaysia, Singapore, Thailand, Timor-Leste, and Vietnam, alongside representatives from major global partners, including Australia, China, India, Japan, New Zealand, South Korea, Russia, the United Nations, and the United States.

Brazilian President Luiz Inácio Lula da Silva, Canadian Prime Minister Mark Carney, and a representative of the International Monetary Fund will also participate as guests of the chair.

Among the key agenda items is the continuing effort to conclude negotiations on the South China Sea Code of Conduct, a regional framework intended to promote stability and prevent disputes from escalating into conflict. Leaders are likewise expected to discuss developments in Myanmar and broader regional security concerns.

The Philippines will also champion initiatives on digital integration, including the proposed ASEAN Digital Economy Framework Agreement, a landmark regional pact intended to expand cross-border digital trade and strengthen economic cooperation among member states.

Marcos emphasized that the summit presents an opportunity for ASEAN nations to pursue collective solutions to challenges affecting millions of people across the region.

"Marami sa mga problemang ito ay hindi natin kayang solusyunan na mag-isa, kaya't napakahalaga ng ASEAN. Ito ang pagkakataon para sa mga bansa sa ating rehiyon na mag-usap, magkaunawaan, at magtulungan upang humanap ng mga solusyon sa mga problemang pare-pareho nating kinakaharap," the President said.

Marcos appeals for public understanding

Acknowledging the temporary disruptions caused by summit preparations, Marcos appealed for public understanding, assuring Filipinos that the long-term gains would outweigh the short-term inconvenience.

"Bagama't may kaunting maaabala nitong susunod na araw, pansamantala lamang ito, kaunting pasensya lang. Tiyak ko na mas matimbang pa rin ang mga benepisyong matatamasa natin mula sa mga polisiyang mapagkakasunduan at sa mga trabahong malilikha," he said.

The President said hosting the summit positions the Philippines to help shape regional discussions on employment, agriculture, investment, energy, and economic stability while strengthening diplomatic ties with key global partners.

To mitigate the effects of security restrictions around the summit venue, the government has launched assistance measures for affected vendors and workers. The Department of Social Welfare and Development has begun distributing financial aid and food packs, with qualified beneficiaries receiving P10,000 each through the Assistance to Individuals in Crisis Situation program.

Malacañang has also declared Nov. 16 to 18 as special non-working days in Metro Manila to facilitate summit operations and ensure the security of visiting leaders and delegates.

Trump's participation marks his first visit to the Philippines since attending the ASEAN Summit in Manila in 2017. His presence, alongside other world leaders, is expected to highlight the Philippines' growing diplomatic significance and reinforce ASEAN's role as a platform for dialogue, cooperation, and shared prosperity.
